2nd International Conference on Computing Advancements - ICCA 2022
Age of Computing and Augmented Life

10 - 12 March, 2022

Important Dates
- Call for papers: 1 October 2021
- Paper Submission Deadline: 15 December 2021
- Acceptance of papers/Author's Notification: 20 January 2022
- Camera Ready Submission: 15 February 2022
- Registration Deadlines:
  - Early Registration (discounted): 1 - 15 February 2022
  - Regular Registration deadline: 16 February 2022
- Conference Date: 10 - 12 March 2022

Major Tracks
- Applied Computing (APP)
  - Big Data
  - Blockchain
  - Internet of Things
  - Edge Computing
  - Robotic Automation
  - Software Engineering
  - Computing and Algorithms
- Human-Computer Interaction (HCI)
  - AR / VR / Mixed Reality
  - Speech / Gesture / Eye / Brain Interaction
  - Human-Robot Interaction
  - Ubiquitous Computing
- Communication (COMM)
  - Wireless / Mobile Communication
  - Satellite Communication
  - 6G and Beyond
- Artificial Intelligence (AI)
  - Intelligent Systems
  - Computer Vision
  - Machine Learning

For the detailed call for papers, please visit: https://icca.aiub.edu/#call-for-paper
All accepted and presented papers will be submitted to ACM Digital Library for publication.
